

AARDANSCO, INC.

GENERAL CONTRACTOR

BASEMENT FINISHING • ROOM ADDITIONS • REMODELING

On August 6, 2010, **Aardansco** was given the opportunity by Hoff & Leigh to have a promotion table at the Friday night SkySox baseball game. It was a fun evening, watching the Skysox win a game in the final inning, followed by a spectacular fireworks show.

Thank you to all of those who stopped by our table to see who we are and what we do — and to sign up for our prize drawing.

We gave away our prizes donated by Lowes and the Home Depot to five lucky winners. Here's a photo of Steve, standing next to Brian, the owner of **Aardansco**, holding his new Ryobi tool set.

Aardansco specializes in finishing basements, but we also do remodels, room additions, and are even licensed to do commercial work, including tenant finishes.
